Houston Police Officers' Union,

In this challenging time with the outbreak of COVID-19 pandemic, our first responders, like the Houston police officers, have been fighting at the frontline to keep the situation under control to ensure the safety and health of the general public.

As members of Katy Christian Community Church, we appreciate your efforts and appreciable great work in keeping us safe. We would like to show our support to you by donating 2000 face masks to protect the officers in duty. We will bless you all in our prayers. May God bless the officers, the city of Houston and the nation. We are in this together, and we will be going through this together in His love and provision.

Blessings in the name of our Lord Jesus Christ.

Masks Donation to Brother Churches & Doctor's Clinics

"With the high demand of face masks, it has been difficult to order more for our office since the medical suppliers are making hospitals the first priorities... This morning my office manager told me at the moment we received this donation (from KCCC) we were on our last mask and we could not order more. God knows our needs and at the right hour came through us!!!!"
