KATY CHRISTIAN COMMUNITY CHURCH

Scholarship Application

STM (short term missions) is one of the great experiences we promote at KCCC. KCCC provides STM participants opportunities to serve in the name of Christ around the globe. They are life-changing experiences in the field and help in discerning God's will for our lives and where we may be called to serve.

We encourage people going on STM to not only serve with their time and talents, but also supporting themselves in financing the trip. STM does more to benefit those who go than anything else. However, scholarship is available for those that need assistance in financing the trip.

"It is more blessed to give than to receive."
